

Just Kiddin' Around Leadership Camp

Anticipation Game 2013 **MATCH THE *KIDS* TO THE BUILDERS!**

Well hey you crazy kids, not long until camp now...

To PUMP you guys up for the amazing weekend ahead of you, we thought maybe you should get to know us, your builders, a little better. So this year's anticipation game is to match each *kid's* pictures to a builder.

Here are the rules:

1. Have fun!
2. Print the page with the "*kiddy*" pictures off.
3. Start tracking those cute *kids* down and get their name and signature on their picture!
4. Please, if you approach a builder and you pick the wrong *kid* picture for them, you must wait until the next break between classes again to ask them about another picture.
5. And please, NO ASKING DURING CLASS TIME.

The delegate, who completes the task first getting all the correct *kid* pictures matched with the builders, WINS! And you will receive a well-earned prize during camp.
